

California Textile Demand Questionnaire

PRINTED FROM GOOGLE FORMS – This document is an electronic form

Fibershed (www.fibershed.com) and The Sustainable Cotton Project (www.sustainablecotton.org) are collaborating to assess the demand for California-produced wool and cotton fabrics. This is part of a larger project to analyze the feasibility of building a wool mill and a cotton mill in California. If you have any questions, comments or concerns, please contact Amber Bieg (amberbieg@gmail.com). Thank you for your time and support!
